

Bishop Eustace Preparatory School

2016 Crew Team Sponsorship

In 2001, a group of young students were enthusiastic about the possibility of forming a crew team. With the collaboration, support and funding of their parents, the Bishop Eustace Crew Program was initially formed as a club sport. In support of the students' vision, passion and determination, parents formed a committee, donated money, bought equipment, hired coaches, procured loans and volunteered to get the program up and running. Within a few short years, a fleet of boats, ergometers, and equipment was amassed. By 2005, #EUSTACECREW had grown large enough that Bishop Eustace's Athletic Department took the reins of the program and BE CREW became a "Pay to Play" Varsity sport.

Today, our program continues to thrive. Bishop Eustace Crew competes with teams from around the country. They have been victorious over the years, winning awards in numerous regattas, including Navy Day, Head of the Schuylkill and Stotesbury.

We are proud to say that after all these years, "The Tradition Is That Of A Winner" continues....

But...We need your help!

This is a "Pay To Play Team" and our program is funded through the crew parents and the generous donations of our sponsors. A "Pay To Play" sport team means the school does not contribute to the team's budget. As a result, the students must finance their own participation. We can't get on the water and maintain our top-notch program without your help and support. Sponsoring the Bishop Eustace Crew Team helps fund boat purchases and maintenance, regatta fees, food provisions, travel costs and many other expenses. In addition, your contribution allows an equal opportunity for each and every student to row on the team. So, yes...your dollars actually touch and help each and every student team member!

2016 SPONSORSHIP LEVELS

<i>Platinum</i>	\$ 2500
<i>Gold</i>	\$ 1000
<i>Silver</i>	\$ 500
<i>Bronze</i>	\$ 100
